

Dear Montana beer lover,

Thank you so much for your support of the Montana Brewers Association. You're now a member of the MBA Brew Crew – a group of Montana beer lovers with access to special deals, newsletters, and a free pint at breweries across Montana.

One of the key objectives of the Brew Crew is to develop a network of Montana craft beer enthusiasts - people who will help promote the growth of Montana's craft beer scene and support the work of the MBA to encourage that growth. We are so glad to have you on board!

We hope you take full advantage of the benefits of your membership, visiting each brewery on your Brew Crew Card. While you're traveling Montana and enjoying some of the finest craft beer in the world, please share your microbrew journey with us by posting to social media using the hashtag #MTbeer.

Montana craft brewing has grown tremendously over the past decade, and we want to see that growth continue. With your support, we will continue to expand the craft beer industry in Montana.

Thank you for supporting Montana's craft brewers and welcome to the Brew Crew!

Cheers,

Matt Leow
Executive Director
